<p>NOTE: 7561.</p> <p>1. This will advise you that subject of reference did not contact us during his September visit to Paris. Coincidentally, we had seen the local EXECUTIVE representative shortly before your cable arrived and he advised us that subject was expected shortly and also expressed the wish that REFID: 1451 might meet with subject. We have no explanation for the fact that contact was never initiated since we have not seen the local EXECUTIVE representative in recent weeks.</p> <p>2. FBI: At the time we talked with the local EXECUTIVE representative in mid-September, he expressed some concern that the representatives of subject of reference, who were in Paris at that moment in connection with the Soviet Fair, might be drawing undue attention to themselves from French authorities. The situation was on the agenda for discussion with subject during the September visit.</p>
